# COMMUNITY HEALTH PARTNERS OF JACKSON

## WELCOME

Welcome to Community Health Partners of Jackson. Community Health Partners of Jackson (**CHPJ**) is a preferred provider organization (PPO), a joint effort in managed care between community health care providers, your employer, and you.

**CHPJ** offers you comprehensive health services through a network of preferred physicians, hospitals and other health care providers. Our goal is to provide you with quality care that is well-managed, convenient and cost-effective. Because **CHPJ** is a PPO, you have the option of obtaining care from participating providers or choosing non-participating providers. To *maximize* your benefits, however, you should use participating providers whenever possible.

**CHPJ's** participating providers are committed to quality care, and they offer a wide range of services to meet your health care needs.

If you need assistance finding a participating health care provider in your area, please contact our Administrator at (888) 881-0103 or via email at [tracy.obrien@sbcglobal.net](mailto:tracy.obrien@sbcglobal.net). Our office hours are 8:00 a.m. - 4:00 p.m., Monday through Friday.

**NOTE: CHPJ's list of participating providers is subject to change. Please verify that the provider you have selected is participating with CHPJ at the time of service.**
